

77 DIAMONDS

LONDON

To all our customers,

The spread and impact of COVID-19 is truly unprecedented.

Through these trying times, we still wish to be by your side to offer professional and personal advice, not only to give you the best possible support, but also because we understand how important your purchase is to you.

As such, we have made the decision to expand our offering to include fully interactive online consultations: one-to-one sessions without the need to come in. These consultations are offered through live stream video, where you will find the same level of support and guidance as in one of our showrooms.

Thanks to these new measures, we can provide you with the same excellent service while also looking out for the well-being and safety of both our customers and colleagues. This is what is most important to us.

Should you wish to come in, our showroom appointments are still operating normally. To ensure people's safety, we are closely following all safety standards and advised protocol. To book an online consultation or showroom appointment please [click here](#).

Again, these are challenging times and new developments are occurring every day. We will take great care in keeping you updated as the situation unfolds. If you have any questions, please do not hesitate, we are always there to help.

Thank you for your continued support and trust, we deeply appreciate it. I want to wish you and your family the very best of health. Take care of each other, stay safe and well.
